# First Aid at TRL

In the event of an illness/injury occurring at TRL you should:

- 1) Call a first aid officer (see list below)
- 2) If the illness/injury is serious, call an ambulance (0-000) and inform the gatehouse (x36555) of the location.

## First Aid Officers

	Location	Phone numbers
Mick Durrant	M2/115	9253 6423
Dave Jewell	M5/224	9253 6427
Belinda Ward-Paterson	M1/G06d	9253 6188
Jean Golding	M8/139	9253 6452

If none of the above are contactable, the following people are also trained in first aid:

Name	Location	Phone number	Name	Location	Phone number
Adrian Lynch	M1	x36556	Andrew Davison	M5	x36751
Andrew Scott	M1	x36397	Carlos Escobar	M5	x36346

Penny Roberts	M2	x36590	Joanne Cohen	M8	x36288

### Note:

- If an accident requiring an ambulance occurs when the gatehouse is unattended, call the ambulance (0-000) and arrange for someone to meet them at the gatehouse and direct them to the injured person.
- It is the responsibility of an injured persons supervisor to complete a P400b "Incident Notification and Reporting Form" and to arrange transport for the person to medical aid or home if necessary (unless a first aid officer deems ambulance transport is necessary).
- For minor injuries, first aid kits are located on each floor of all buildings. If you use items out of these kits, it is **essential that you let a first aid officer know** so that they can be re-stocked. Somebody's life may depend on the contents of these kits.
- For general enquiries about first aid, call the co-ordinator, Mick Durrant on x36423.
